

Kansas City 2018 Youth - February Issue

Hello from your 67th National Square Dance Convention® Vice Chairman of youth. We have a great schedule planned for the youth hall in Kansas City. The Youth are our future in this activity and we would like to encourage families with youth to come to Kansas City. Kansas City has a lot of things for youth to do before and after the convention. Please bring your youth to participate in the fun and fellowship the youth hall has to offer.

We will be having dangle dances during the days in order to build a special Missouri badge. Tickets will also be given for each activity and a drawing for prizes will be held each night at 9:00 PM. Grand prize drawing will be held Saturday night at 9:00 PM. Those participating in Karaoke will be entered in a special prize drawing.

If this doesn't sound like fun, each day is a theme day. Thursday is Beach party day, Friday has been changed to a Fiesta celebration, and Saturday will be a Madri Gras party along with black lights.

Watch next months newsletter for more about activities in the youth hall.
