

Kansas City Youth Letter 2018 - May Issue

This will be our final letter for the Youth Hall. So if you need information that is not available here, please review the previous months' letters or www.67nsdc.com.

We are excited to be hosting the youth! We have a great line-up of callers and cuers. There will be block of time set aside for line dancing and youth activities. In the activities slots, we will have minute-to-win type events plus some fun "To Dos" to go along with our theme days and snacks. The Youth Hall is room 2102 B.

Remember our "Build a Badge" activity. Each time you participate in a special "Build a Badge" dangle tip, you will get a dangle for your badge. Did I say prizes? For each tip and activity you participate in, you will get a ticket to put in the basket for the prize you want. A ticket for each prize will be drawn each night and a **Special Prize** ticket will be drawn on Saturday night. Those participating in karaoke each day will be entered in a special prize drawing to be given away Saturday after the last karaoke session.

Parents: Please bring your children into the Youth Hall to complete emergency forms and consent forms and receive a list of the rules. Also please be prompt to pick up your children when the Youth Hall closes so we have time for meals.
